This is a wonderful opportunity to acquire a one off three-bedroom detached bungalow constructed by the current owner some sixty years ago.

The property is presented well, however upon closer inspection it is clearly a project once certain upgrades have been identified and this has been accounted for in coming to the guide price.

The bungalow is in a non-estate location and sits well on its plot unoverlooked by neighbouring properties and offering off road parking and a very pleasant rear garden.

The entrance hall runs almost front to back and feels a little bit wider than the average. From there everything can be accessed. A door leads in to the living room that faces the front. The principal bedroom has an en suite with a WC and a wash hand basin, which could easily be remodelled to include a shower unit. There are two further double bedrooms, one overlooking the front and the other with a window to the side. There is also a family bathroom with a separate shower.

Also accessed from the hall is the separate dining room and from there access to the fitted kitchen.

A covered side passage links the garage to the house and provides access to the conservatory that overlooks the rear garden.

The garage is some 31 feet in length and part could easily be converted in to further accommodation, an office for example, subject to any necessary approvals.

Additional features include gas fired central heating and double glazing.

There is no upper chain.

Renhold offers its own highly popular Primary School, Public House and village store and is very well placed for access to both Bedford and to Bedford's southern bypass (A421) linking the A1 to the M1.
