DETAILED DESCRIPTION

Set within an incredibly desirable and predominantly privately owned townhouse development, this first-floor apartment offers a refined living experience. With only ten apartments in the entire block, including two penthouses, it provides a tranquil and exclusive environment that stands out significantly from the densely populated multi-occupancy developments typically found along the riverside. The internal layout flows effortlessly from a welcoming central hallway, which incorporates convenient built-in storage and provides access to all principal rooms.

The heart of the home is an expansive open-plan reception room, finished with neutral fitted carpeting and decorated in light, modern tones. This bright and airy space connects seamlessly to a large private balcony via sliding glass doors, offering an excellent outdoor area bounded by a glass balustrade with views over the block-paved mews courtyard. Adjoining the living space is a well-appointed U-shaped kitchen, featuring warm wood-effect base and wall units, contrasting dark work surfaces, and tiled splashbacks. The kitchen is highly functional, incorporating a practical breakfast bar peninsula, an integrated double oven, a gas hob with an overhead extractor, and under-counter refrigeration units.

The apartment accommodates two well-proportioned double bedrooms. The principal suite enjoys direct access to the balcony and features a private en-suite bathroom, complete with a panelled bath, pedestal wash basin, and WC. The second bedroom offers built-in storage and versatile space for guests or a home office. A separate, spacious shower room serves the rest of the apartment, fitted with a large walk-in shower enclosure. The property is maintained in excellent condition throughout, benefiting from double glazing, gas central heating, and the highly coveted addition of a secure gated undercroft parking area.
