**\*\*Stamp duty paid incentive offered on number 3 and 4 Fulwood Wynd.\*\***

A stunning brand new development of only six, large detached houses built by a local developer to a striking traditional and gabled design, situated on a gated and private driveway bordering to open countryside with wonderful rear views.

Each property is finished to an exceptional high standard throughout and buyers who get in early will have a choice of fixtures and fittings such as kitchen, quartz work surfaces, tiles, carpets and flooring. The property has a B EPC rating and benefits from UPVC double glazing and underfloor heating to both the ground and first floors from an air source heat pump.

No. 4 Fulwood Wynd is currently under construction anticipated for completion in late 2025. The property provides a spacious family layout of accommodation L-shaped in configuration extending to circa 2,241 sq ft with five double bedrooms, three bath/shower rooms and two reception rooms. The ground floor layout comprises an entrance hall with partially vaulted ceiling feature, cloakroom, living room, separate snug, open plan living/dining kitchen and a utility room. The first floor galleried landing leads to a large master bedroom with en suite, four further double bedrooms, a Jack & Jill en suite and a family bathroom.

Fulwood Wynd is located off the main A38 and accessed from Alfreton Road (no through road) down a shared private driveway with electric gated entrance. The properties are set well back from the road in a superb, commanding and elevated position with wonderful open rear views. There is a front garden adjacent to a double width block paved driveway which leads to an integral double garage. To the rear of the property, there is a substantial sandstone terrace patio, further garden area laid to grass, and gated access leads to amenity land shared with the other five properties. A management company has been formed for shared maintenance of the entrance gates and private road.

## SPECIFICATION

### BUILDING

- Heritage brick.
- Rosemary clay tiles.
- Stone cills to front of house with brick detail above windows.
- Brick details to rear windows.
- Remote controlled electric garage door.
- Air source heat pump.
