Bridge Lane, SW11

CHESTERTONS

A beautifully designed and thoughtfully renovated home situated on sought-after Bridge Lane, offering a harmonious blend of contemporary design, practical living, and architectural character. With light-filled interiors, polished plaster walls, bespoke joinery, and the rare benefit of off-street parking.

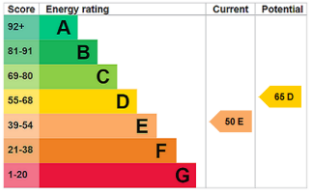

Designed to maximise space, natural light, and functionality, the property features a calming, cohesive palette of natural tones throughout, creating a sophisticated yet welcoming atmosphere. The ground floor centres around a generous open-plan reception space, seamlessly bringing together the living, dining, and kitchen areas. The kitchen combines refined aesthetics with practicality, featuring bespoke built-in cabinetry and integrated appliances. A well-appointed bedroom and shower room are located on the ground floor.

Upstairs, the bedroom offers a peaceful and private retreat. The property also benefits from a separate WC, with plumbing already in place for the installation of a bath, presenting the opportunity to create a second bathroom and further enhance the home's functionality.

Throughout the property, bespoke built-in cabinetry has been thoughtfully designed to maximise storage and make efficient use of every inch of space. From full-height wardrobes to cleverly integrated understairs storage, every detail has been carefully considered to combine style with practicality.
