A purpose built apartment with garage and parking

This bright and comfortable two-bedroom apartment has a particularly good combination of sea views, outdoor space and storage. The balcony, two double bedrooms and peaceful setting make it an appealing home, Island base or investment property. The secure entry phone system provides access to the communal entrance, with stairs leading to the second floor.

Interior

Located within a residential area, this appealing apartment offers light, comfortable and well-planned accommodation, with the added benefit of pleasant views from both sides of the property. The position is particularly peaceful, whilst still being conveniently placed for enjoying all that Cowes has to offer.

Inside, the hallway immediately gives a sense of the apartment's practical layout, with three exceptionally useful double cupboards providing masses of storage. One of these houses the Megafllo hot water cylinder, leaving the remaining cupboards available for household storage, coats and everyday essentials.

The sitting room is a particularly bright and sunny space with sliding patio doors opening onto the balcony. With its tiled floor and views across the surrounding residential area of Cowes, the balcony provides a lovely extension to the living space and a pleasant spot to sit and enjoy the sunshine. An electric fireplace creates a cosy focal point within the room.

The kitchen is well equipped for its size with contemporary charcoal grey units, good work surfaces and an integrated oven with four-zone hob. Included is a washing machine together, tall fridge freezer and table top dishwasher. A section of the worktop has been cleverly designed to double as a breakfast bar with useful additional storage beneath.

Both double bedrooms enjoy views towards the sea, a lovely feature which adds to the appeal of the apartment. The principal bedroom also benefits from a built-in wardrobe, while the second bedroom provides excellent flexibility as a guest room, home office or additional living space.

The contemporary bathroom, finished in charcoal grey tones, is fitted with a P-shaped bath and overhead shower, WC and wash basin set within a useful vanity unit, together with a heated towel rail.

Exterior

There is parking in front of the designated garage which is within a block close to the main building and could also be used for further storage.
