OWNERS COMMENTS:

Some houses have a story to tell, and number 14 is a bestseller. Having been the backdrop for two generations of "firsts"—from my own childhood to bringing home my first child—this home is now ready to welcome a new family into its warm embrace.

We have renovated this home, ensuring it isn't just beautiful, but truly warm and cosy. It's the kind of place where you can kick off your shoes and instantly feel at peace.

Designed for those who love to host. Whether it's a milestone birthday or a quiet Sunday roast, the layout is perfect for gathering friends and creating lasting memories.

This is more than a starter home; it's a foundation for a life well-lived.
