Tucked away on a quiet lane, but just a few steps to the village green, Carpenter's Barn has been beautifully designed and presented to create a series of light and deceptively large and versatile living spaces.

Wrapped in the agrestic backdrop of the north Oxfordshire countryside, the barn unfolds over nearly 1700 Sq. Ft. and draws together rustic charm with modern day practicality. Entry is via the central hallway which gives way to a generously proportioned cottage style kitchen complete with integrated appliances and Range cooker. The voluminous, open-plan living area unfolds across the right of the plan. A traditional wood burner sat within a stone fireplace can be found at the far end, offering a cosy focal point whilst French doors allow for direct access to the garden. The ground floor also offers a downstairs W.C and utility room for added convenience.

Ascending the staircase, the first floor is home to four well proportioned double bedrooms, including the master with en suite, and a family bathroom.

Externally, the south-west facing garden is fully enclosed. A patio area flows directly from the sitting room and offers the ideal spot for entertaining during the warmer months. There is also driveway parking for two vehicles. Viewings highly recommended.

Tackley

Is a charming village featuring quintessentially English period houses and an 11th century Church set around a traditional village green. Residents enjoy being part of a friendly community centred around the village's local pub, community shop, primary school and modern playground. Of huge advantage is Tackley's mainline railway station which provides a regular service to Oxford and London Paddington. Just seven miles away, Oxford Parkway offers fast (approx 55 mins) trains into London Marylebone.
