DEVELOPMENT OPPORTUNITY | RESIDENTIAL FOCUS WITH COMMERCIAL POTENTIAL

An excellent and versatile development opportunity in the well-established village of Creswell, near Worksop.

Extending to approximately 0.3 acres, this cleared site presents a rare chance for developers and investors to deliver a high-quality scheme.

Full planning permission was granted on 30th April 2025 (Ref: 24/00576/FUL) for the construction of four semi-detached bungalows, offering an attractive and in-demand residential development within an established location.

The site has been cleared following demolition, allowing immediate progression to development.

Previously approved for commercial use, the site also demonstrates flexibility for alternative schemes (subject to the necessary consents).

A highly adaptable opportunity with strong potential to maximise value and deliver an excellent return.

For further information, please contact the office.
