A rare and impressive opportunity to acquire one of West London's largest detached double-fronted homes, ideally positioned in the heart of Osterley. Extending to over 8,100 sq ft, this substantial and versatile residence has been finished to an exceptional standard throughout and offers 11 double bedrooms, all with en suite bathrooms, in addition to a guest WC, arranged over three expansive floors. The ground floor comprises three generously proportioned double bedrooms, each with its own en suite, alongside a guest WC. To the rear, an outstanding open-plan kitchen and dining space spans approximately 15 metres in length. The house is positioned on a large plot size with a mature garden to the rear.

The first floor hosts four further double bedrooms, all with en suite bathrooms, as well as an additional fully fitted kitchen, offering flexibility for multi-generational living or investment use. The top floor continues this theme with four more en suite double bedrooms. Externally, the property benefits from a large rear garden featuring two substantial outbuildings, offering exciting potential to convert into four self-contained apartments (STPP).

Situated in a desirable position close to excellent local amenities, schools and parks. Osterley (Piccadilly line) is fantastically located close by and Syon Lane (SWR) overground stations are a short walkaway with fantastic links to Heathrow Airport and Central London via the A4/M4.
