Originally constructed as a bungalow and thoughtfully extended in 1981 to create first-floor accommodation, this spacious home now offers two floors of versatile living space with excellent scope for modernisation and personalisation. Enjoying far-reaching views towards The Helm, Scout Scar and the Lakeland fells, the property boasts four double bedrooms, three reception rooms, two driveways, a detached double garage and beautifully established wraparound gardens, creating a wonderful opportunity to create a truly exceptional family home.

Entering via the front door from the second driveway, you are welcomed into a spacious dining hall, a versatile central space that comfortably accommodates a dining table whilst providing access to the majority of the ground floor accommodation. Front-facing windows allow natural light to fill the room, whilst a range of built-in storage cupboards offer practical space for household essentials, linen and coats.

Leading through to the breakfast room, this inviting reception room situated to the front of the property, enjoys both front and side aspect windows, creating a bright and pleasant space to relax. A gas fire set within a brick surround with matching mantle and hearth forms an attractive focal point, whilst built-in shelving provides an ideal place for books or decorative display.

The kitchen can be accessed from both the breakfast room and the dining hall, creating an excellent flow for day-to-day living. Fitted with a range of wall and base units, the kitchen incorporates a Bosch integrated oven and grill, five-ring gas hob, Bosch dishwasher included in the sale, under counter fridge included in the sale, decorative tiled splashbacks and a stainless steel sink and drainer positioned beneath a side aspect window overlooking the utility room.

A door from the kitchen leads into the utility room and rear porch, providing additional storage and worktop space together with built-in cupboards. Windows to the front and side elevations create a light and practical workspace, whilst a rear door provides convenient access to the detached double garage and the first driveway.

Returning to the dining hall, the left part provides access to bedrooms one and two, the family bathroom and the en-suite. Beneath the staircase is a useful recessed area which lends itself perfectly to a compact study, home working space or further storage.

Bedroom one is a generous double bedroom enjoying a pleasant rear aspect, complete with extensive fitted wardrobes spanning one wall together with a built-in corner dressing table. A concealed sliding mirrored door within the wardrobes provides access to the en-suite, which is also accessible directly from the hallway. The en-suite is fitted with a four-piece suite comprising a WC, bidet, corner shower cubicle, vanity wash hand basin and useful built-in storage cupboards.

Bedroom two is another well-proportioned double room, benefitting from dual aspect windows to the side and rear, allowing for excellent natural light.
