Jodie says:

"I think this is such a lovely home with so much to offer. It has great kerb appeal with a tandem driveway, a single garage and further parking has been created across the front too. As you step inside, the hallway is a bright and welcoming space which leads through into both the living room and kitchen which both run from the front to the rear of the home, creating very spacious rooms! The living room is a light and bright room with the window to the front and double doors to the back letting in lots of natural light. The kitchen is a modern space with integrated appliances and a stylish finish, with the benefit of a boiling water tap too. I really love the glass door in some of the top units, perfect for displaying glassware. There's plenty of room for a family dining table and access into a utility room where there's further storage and a door out to the garden. There's a guest WC downstairs too which is always handy.

Upstairs on the first floor you'll find bedroom 1 and bedroom 4, bedroom 1 also has a modern and spacious ensuite. The family bathroom is also on this floor, which is a fully tiled, lovely neutral room with a shower over the bath. The top floor is a fantastic space where there's two further large double bedrooms, both have skylights creating a wonderful bright space.

The back garden perfectly compliments this home, there's a decking area for seating, a spacious artificial lawn and tucked away behind the garage the current owners have put a hot tub! There's side door access into the garage too, as well as a gate to access the driveway and front of the garage. This home has so much to offer and is in a fantastic location, what a great choice for a family home!"

A message from the seller:

"This house has been perfect for us as a family with 3 teenage kids. The bedrooms are a great size, so they've all had their own space. But as the kids have grown up and moved on, its time for us to downsize. The house is in a great location for schools, transport, local shops and village amenities. We have great neighbours, not just next door but across the whole street. We know that this will be a great family home for the next owners, just as it has been for us over the last 10 years".
