Families are well served by reputable local schools, including Enderby Danemill Primary School and Brockington College. Inside Story

Situated in a popular location within walking distance of a range of local amenities, this wonderful detached family home offers beautifully presented and well-proportioned accommodation, making it an excellent choice for modern family living.

Stepping into the welcoming entrance hallway, the tasteful décor and attractive flooring immediately set the tone for the rest of the home. The hallway provides access to the staircase rising to the first floor and a convenient downstairs WC.

The living room is a lovely, comfortable space, perfect for relaxing at the end of the day. Beyond, the conservatory has been enhanced with a solid roof conversion, creating a room that can be enjoyed all year round. Currently used as a dining room, this versatile space would also make an ideal family room or playroom, adapting effortlessly to suit your lifestyle.

The stylish breakfast kitchen is fitted with pale blue units, complemented by wood-effect work surfaces, a breakfast bar and integrated appliances. French doors open directly onto the garden, while a useful understairs cupboard and separate utility room provide excellent storage and practicality for busy family life.

The first floor offers three generous double bedrooms, each with built-in wardrobes. Completing the accommodation is a contemporary family bathroom, fitted with a bath and shower over, pedestal wash hand basin, low-level WC, heated towel rail and attractive grey metro tiling.

Outside, a driveway provides off-road parking and leads to the storage garage, with gated side access to the rear garden. The garden offers a wonderful opportunity for the next owners to make it their own. Whilst the existing decked area would benefit from replacement, it could easily be transformed into a patio. The generous lawn and the property's orientation create a lovely sense of privacy, making it a wonderful space to enjoy with family and friends throughout the warmer months.
