The Dovecote

A truly distinctive building, showcasing an exceptional blend of historic charm and practical usable space. The rooms are framed by a wealth of exposed timber beams to the ceiling and walls, creating an immediate sense of age, craftsmanship and architectural interest. One of the standout features is the exposed brickwork, which adds warmth, texture and authenticity, beautifully contrasting with the dark stained timber detailing and lighter neutral décor. The part-panelled and timber-framed partition provides a striking focal point, giving the rooms a rare and memorable character that feels completely individual.

On the ground floor the space is divided into a main office, dining kitchen and bathroom. On the first floor are two further rooms and on the second floor is the Dovecote itself with a Mezzanine level.

The grade 2 listed Dovecote sits proudly on the edge of its own Yard which is approximately 0.576 Acres. The Dovecote is currently used for Commercial use only. The yard is fully enclosed with security system and double, sliding Electric Steel gates, which allows access for large vehicles. (This Yard has previously had a HGV license for 14 vehicles and additional trailers.)

At the rear of the yard is a timber gate which gives access to the field at the rear. (This field is described in the House section of the brochure). The Dovecote and yard have its own land registry document, although is being sold as a whole, with the house and paddock.
