This deceptively spacious three bedroom mid-terraced property was the showhome for the converted steading and enjoys a semi-rural location on the outskirts of Elgin, just a short distance from Elgin town centre and local amenities, with stunning south-facing views.

The property boasts hardwood floors, high quality carpets and fittings and plenty of storage. Featuring light and semi-open plan living, the accommodation has been newly decorated throughout and is in walk-in condition, comprising: Entrance vestibule, utility room, living room featuring two sets of French doors, dining area and kitchen with integrated appliances, a downstairs bedroom and a shower room. Stairs from the living room lead to a landing, two good sized double bedrooms and a family bathroom. The property benefits from LPG central heating (a new boiler was installed in 2025) and a mix of triple and double glazing. Drainage is via a private septic tank. Full Fibre Broadband is available (>1GBps).

Set in well tended communal garden grounds, there is allocated parking. Factoring fees of around £113 per month are payable, which cover maintenance of the garden grounds, building and public liability insurance, management fees and an annual roof inspection.

We highly recommend viewing this rare opportunity to purchase in this popular development.
