The Property

Upon entering this lovely home you walk into a very spacious hallway which has quality wood-effect flooring and under-flooring heating throughout. This then leads through to a separate lounge and the open plan living space at the back of the house as-well as a downstairs cloakroom. The open plan living space has a lovely dining area which provides an ample amount of space for a large family dining table. The dining area also has a lovely brick fireplace bringing character into the property. Flowing through from the dining area there is a lovely open plan living space which provides plenty of space for a large sofa, perfect for entertaining. The space is flooded with natural light from the large skylight and bi-fold patio doors. The kitchen is absolutely stunning and has been designed to a high specification, featuring shaker-style cabinetry, quartz work surfaces. The island has an inset sink and breakfast seating for two people, as well as wireless

charging to the right of the sink and integrated plugs. The kitchen also offers built in appliances such as a fridge/freezer and a dishwasher. A cleverly designed doorway seamlessly integrated within the bespoke kitchen cabinetry opens into a separate utility and pantry area, offering excellent additional storage to the property. The separate lounge is a generous size with a lovely media wall with a built-in electric fire. Upstairs are two generous sized bedrooms and a well-appointed third. The family bathroom is stylishly finished and fitted with both a separate walk-in shower and a full-sized bath tub.

To the front and side of the property there is a large gravelled driveway providing off road parking for a number of vehicles. This in turn leads to the garage and the rear garden which has been predominately laid to lawn and is enclosed on all sides .
