Detached Cottage with Bewl Water Views & Planning Permission to Extend to Five Bedrooms

Set in a truly exceptional elevated position on a quiet no-through lane, this charming detached cottage enjoys breathtaking, uninterrupted views across Bewl Water and surrounding countryside, offering a rare opportunity to secure a home in one of the area's most sought-after rural settings.

The property currently provides approximately 1,035 sq ft of characterful accommodation, arranged over two floors, with a wealth of period features including exposed beams and a striking inglenook fireplace.

The ground floor offers a welcoming sitting room, separate dining room, kitchen with garden access, along with a shower room and cloakroom, creating a flexible and practical layout. Upstairs, there are three bedrooms and a family bathroom, all enjoying an attractive outlook over the gardens and landscape beyond.

Externally, the property sits within grounds approaching one acre, with generous front and rear gardens, ample parking and a substantial detached outbuilding/garage, offering further potential for storage, workspace or conversion (subject to consents).

A key feature of this property is the full planning permission already granted (RR/2022/2674/P) to significantly extend and reconfigure the home, creating a substantial five bedroom family house, effectively future-proofing the property and enhancing its long-term value.

* The property is served by a private drainage system which is understood not to comply with current General Binding Rules. Buyers should allow for replacement or upgrading as part of their purchase. *
