Property description

Ground Floor

Entering through the front door, the central hallway provides a bright and spacious welcome, with a staircase rising to the first floor and doors leading to the principal reception rooms.

To the right is the well-proportioned Living Room, featuring French doors opening onto the rear garden and windows to two further aspects, creating an excellent flow of natural light. An electric fireplace with a wooden surround provides an attractive focal point.

Further along the hallway is the generous dual-aspect Kitchen/Dining Room, fitted with tiled flooring, a range of wall and base units, an integrated electric oven and hob with extractor, together with space and plumbing for a dishwasher and fridge. The dining area comfortably accommodates a family-sized table. A door from the kitchen leads through to the rear porch, with access to the WC and Utility Room.

First Floor

The first floor offers flexible accommodation and, depending on requirements, could provide up to five bedrooms. Alternatively, the layout could be reconfigured to create a four-bedroom arrangement with a dressing room or a more luxurious principal suite.

The main bedroom is accessed via an inner corridor, providing an ideal opportunity for additional wardrobe or storage space. This bright double bedroom enjoys countryside views and benefits from an en suite shower room comprising an enclosed shower, WC, pedestal basin and obscure-glazed rear window.

There are four further bedrooms. Bedroom Two is positioned to the front of the property, while Bedroom Three is a double room and currently provides a walkthrough to Bedroom Four. Bedroom Four is a particularly spacious room, featuring Velux windows, and has previously been used as a home office and hobby room. There is also provision for a shower room to be installed, with waste connections and electrics already in place.

Bedroom Five is a single room overlooking the rear of the property and would make an ideal home office, child's bedroom or nursery.

The main Bathroom is fitted with a white suite comprising a panelled bath with shower over and glass screen, pedestal basin and WC, together with part-tiled walls.

Grounds & Gardens

The property is approached through wooden gates, opening onto a gravelled driveway that provides generous parking and ample turning space.

The gardens are a standout feature, with level grounds extending to approximately 0.51 acres. Well established and thoughtfully cultivated over many years, they feature mature shrubs and trees alongside an abundance of spring bulbs, making them ideal for those with a keen interest in gardening and horticulture. The grounds are enclosed by mature hedging, offering excellent privacy and creating a beautifully landscaped setting.

A former large wildlife pond remains in situ, complete with a specialist Raw Mat HDB membrane lining. Although now dry, it continues to provide a haven for wildlife, with established bulrushes adding character and definition to the garden.

Overall, the gardens provide an exceptional outdoor space, equally suited to those who enjoy active gardening or simply wish to relax and appreciate the attractive surrounding countryside.
