Originally Eastwick Park Farm, the property is reputed to date back to the 16th Century with later Victorian extensions creating this impressive residence enjoying many period features including a stunning sitting/dining room with high ceilings, full height cellar and stabling which has been converted to create extensive garaging and a games room.

The accommodation includes a reception hall with cloakroom, elegant 37'4 x 16' triple aspect sitting/dining room with open fireplace, family room, farmhouse style kitchen/breakfast room with oak cabinets and integrated appliances, large utility room and conservatory with electric rain sensor roof openings. The inner hall features a aged Quarry tile floor leading to a small cold store, double bedroom with en-suite and study/playroom.

* The inner hall also has an outside door which creates the perfect opportunity to create a separate annexe by combining the study, bedroom, shower room and utility room. (This area of the house has a fully boarded and lit loft space)

Upstairs, the double aspect principal bedroom has a range of fitted wardrobes and en-suite with separate shower and bath, there is a second double bedroom with adjoining bathroom and two further double bedrooms sharing a separate shower room.

From the hall, stairs leads down to a full height cellar with wine store, work bench and door leading to a return outside staircase to the rear garden.

Outside, a gated sweeping gravel driveway with adjoining lawns provide plenty of parking and leads to the stable block incorporating 4 car garaging, lawn mower garage, games room and small brick apple store. There is a lawn, greenhouse, sun terrace with brick BBQ and useful return block pavier driveway with double gates to the Lower Road.
