The Nook Victoria Road
Bicester

Property Description

A delightful and individual detached home, believed to date back to the late 1920s, offering character, generous living space, and a wonderfully convenient central Bicester location.

Full of charm and period appeal, the property features two welcoming reception rooms, both centred around attractive fireplaces, with one thoughtfully arranged as a spacious living dining room ideal for both everyday living and entertaining. The recently fitted kitchen provides ample storage and workspace, with the ground floor also benefiting from a cloakroom for added practicality, while the accommodation upstairs comprises three well-proportioned double bedrooms, an additional room, served by a family bathroom with the benefit of an additional shower room. Additionally, there is roof space which, subject to planning permission, could offer scope for future expansion. The property has been recently updated, although a few finishing touches remain outstanding.

Outside, the property enjoys a private and mature southwest facing garden, providing a lovely, secluded setting to relax and unwind. The garden also gives access to a garage, while to the front there is off-street driveway parking for several vehicles.

Ideally positioned within walking distance of Bicester town centre, the property is perfectly placed for local amenities, schools, and excellent transport links, including road and rail connections, making it an ideal home for commuters and families alike.
