**Description**

Tanners is a generously proportioned detached home set within a quiet cul-de-sac of similarly impressive properties. Extended twice over the years, it now offers generous and versatile accommodation including five bedrooms upstairs, two reception rooms, a large kitchen, and a ground-floor bedroom with ensuite that can easily serve as a garden room, playroom, or second living space.

Owned by the same family since 1976, the house has been lovingly maintained and is now ready for a new chapter.

The property has two entrances: the main front door leading into the hall, and a more frequently used entrance directly into the kitchen. The spacious L-shaped living room features a granite fireplace with electric insert (formerly an open fire), built-in units, and wide windows with sliding doors opening onto the patio.

A separate double-aspect dining room allows natural light to pour in throughout the day. At the heart of the home sits the generous kitchen, complete with an Aga range cooker, extensive range of units, integrated appliances, and lovely views over the rear garden. Adjacent is the ground-floor bedroom with a large ensuite wet room ideal for an elderly or disabled family member or easily repurposed as a second reception room or garden room thanks to its French doors and electric awning.

There is also a handy further downstairs shower room with toilet.

Upstairs are five well-proportioned bedrooms and a family bathroom.

The house benefits from full double glazing and gas-fired central heating.

Outside, the block-paved driveway provides parking for several vehicles and leads to a detached garage with power, an up-and-over door, and an adjoining car port. To the rear is a separate workshop or potential home office, also with power and a double-glazed window.

The large west-facing rear garden is mainly laid to lawn with mature beds, borders, shrubs, and trees—including a striking specimen Wedding Cake tree.
