'Chelsea Living at Its Finest'

Grosvenor Waterside is one of Chelsea's most desirable residential developments, offering residents an exceptional blend of luxury, convenience and wellbeing. From the exclusive spa and leisure facilities to the peaceful riverside setting, every aspect of the development has been designed to enhance everyday living.

Apartment 1 presents a rare opportunity to enjoy this sought-after lifestyle, further benefiting from a large private parking space—an increasingly valuable asset in this prime central London location.

Why You'll Love Living Here

Residents benefit from exceptional on-site amenities, including a private health spa, swimming pool, gymnasium, 24-hour concierge service and beautifully maintained communal gardens, creating a lifestyle that combines convenience, wellbeing and security.

Perfectly positioned between Chelsea, Belgravia and Pimlico, the apartment is moments from the boutiques, restaurants, cafés and cultural attractions of King's Road and Sloane Square, whilst enjoying the tranquillity of its riverside setting. Excellent transport links provide swift access across London and beyond.

Further enhancing its appeal, the apartment benefits from a rare large private parking space and can be offered fully furnished, allowing purchasers to move straight in or immediately commence letting. Whether seeking a prime London residence, pied-à-terre or investment opportunity, Apartment 1 presents an attractive proposition with strong rental appeal and excellent long-term potential.
