This impressive four-bedroom family home offers beautifully proportioned accommodation across three floors, effortlessly combining luxury with practicality. Part of an exclusive development of just six homes, it enjoys a prime position just moments from Reigate town centre and Reigate Heath.

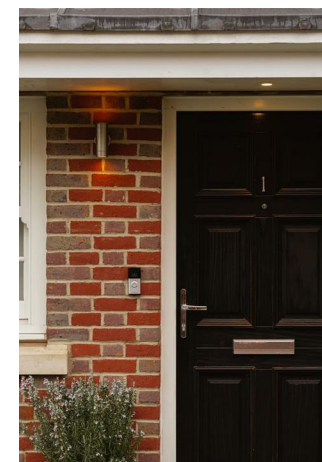

High ceilings, wide doorways and elegant cornicing create an immediate sense of quality, blending the advantages of a modern build with timeless character detailing.

A generous entrance hall sets the tone, leading to a front facing sitting room complete with bespoke cabinetry, a feature fireplace and triple glazed windows. Thoughtfully designed by the current owners, it provides a warm and relaxed space to unwind. The open-plan kitchen/dining room is the heart of the home, featuring integrated appliances and bi-folding doors that open onto the south-west facing garden, filling the space with natural light and creating an ideal setting for both everyday family life and entertaining. A downstairs cloakroom completes the ground floor.

The first floor features a generous landing, creating an immediate sense of space. The impressive principal suite includes a dressing room and contemporary en-suite shower room. Two further double bedrooms are served by a spacious family bathroom, with both a bath and separate shower. The second floor provides a fourth double bedroom, ideal as a guest room or home office, alongside a convenient storage room.

Outside, the landscaped rear garden enjoys a sunny aspect, with lasting sunshine into the evening. A patio area just outside the bi-folding doors creates the perfect space for al fresco dining and hosting, particularly during the summer months.
