PROPERTY DESCRIPTION

This beautifully presented four-bedroom detached house has been thoughtfully upgraded by the current owners to create a stylish and spacious family home, perfectly suited to modern living.

A welcoming and generously proportioned entrance hall sets the tone for the property, featuring attractive oak wood flooring and providing an immediate sense of space and quality. At the heart of the home is an impressive open-plan kitchen/breakfast family room, designed for both everyday living and entertaining. The kitchen is fitted with an extensive range of wood cream shaker-style units, complemented by oak and granite worktops and a selection of integrated appliances. The adjoining family area provides a bright and sociable space with large sliding bifold doors opening directly onto the rear garden, seamlessly blending indoor and outdoor living while allowing natural light to flood the room.

Further ground floor accommodation includes a separate study, ideal for home working, together with a practical utility room incorporating a useful storage cupboard and cloakroom, all continuing the attractive oak wood flooring. Spanning the rear of the property is a substantial living room featuring a solid limestone fire surround with contemporary electric fire and additional bifold doors opening onto the garden, creating an excellent entertaining space.

Upstairs, the spacious landing leads to the main bedroom, undoubtedly a particular feature of the home. This impressive dual-aspect room benefits from a vaulted ceiling, creating a wonderful sense of light and space, together with fitted Sharps wardrobes with inset lighting.

The ensuite shower room is finished to a high specification with Porcelanosa tiling, a walk-in shower, glass wash basin set within a vanity unit, wall-hung WC and underfloor heating.

There are three further generously sized double bedrooms, all fitted with Neptune oak flooring, along with a beautifully appointed family bathroom, again fully tiled and comprising both a bath and separate walk-in shower, plus underfloor heating.

Outside, the property occupies a substantial plot with attractive front and rear gardens. The recently laid block-paved driveway provides parking for several vehicles and leads to a single garage with light and power. There is an electric car charging point for your convenience. The south-facing rear garden features a large contemporary patio area, newly installed within the last year, offering an ideal setting for outdoor dining and entertaining.
