THE INSIDE STORY

Set in a peaceful cul-de-sac location, this lovely family home is full of potential and benefits from no onward chain, making it an excellent opportunity for a new family to move in and make it their own. With open views to the side and rear, the property enjoys a bright and airy setting, while the generous layout provides both space and flexibility for everyday living. The welcoming lounge is particularly spacious, with a feature fireplace creating a natural focal point and offering plenty of room for the family to gather and relax. The separate dining room, with its direct access onto the garden, is perfect for family meals or entertaining guests, and links seamlessly with the kitchen, which is fitted with a range of wall and base units offering useful storage and work surfaces. Upstairs, the landing leads to three good-sized bedrooms, including a principal bedroom with fitted wardrobes providing practical storage. The shower room completes the accommodation, and while the property would benefit from some decorative updating, it offers a wonderful blank canvas for buyers to add their own style and personality. Outside, the home is equally appealing, with a driveway to the front providing off-road parking, a carport to the side, and a detached garage for additional parking or storage. The rear garden has been designed for low maintenance, featuring an undercover seating area that allows for outdoor enjoyment throughout the seasons, while still leaving scope for landscaping or gardening to suit personal tastes. Altogether, this is a much-loved family home offering a rare chance to create a stylish modern interior while enjoying a peaceful position with far-reaching views – a property ready to welcome its next chapter.
