“Bungalows offering this level of space are becoming increasingly difficult to find, and this one certainly delivers. A fantastic opportunity for those looking for spacious single-level living, this detached bungalow has three bedrooms. It offers far more space than you might initially expect from a bungalow.”

BIG ON SPACE. EASY ON LIVING.

A surprisingly spacious two-bedroom detached bungalow with an impressive lounge/diner, generous private parking, garage and a wonderfully easy-to-maintain garden.

Forget the idea that bungalow living means compromising on space. This generously sized detached bungalow offers two double bedrooms and an exceptionally large lounge/diner, alongside a study, separate kitchen, shower room, excellent storage and plenty of private parking. Add in the garage and easy-to-manage garden, and you have a home that works beautifully for relaxed, single-level living.

THE FINER DETAILS

A generous detached bungalow with two double bedrooms, a substantial lounge/diner, study, separate kitchen, shower room, built-in hallway storage, detached garage, extensive private driveway and low-maintenance rear garden with paved seating areas.

There is an immediate sense of space when you step inside. The side entrance opens into a central hallway, creating a practical hub for the home, with doors leading through to the kitchen, lounge/diner and both bedrooms. A built-in storage cupboard is tucked into the hallway, keeping everyday essentials neatly out of sight.

The lounge/diner is the standout room, incredible size gives you genuine freedom to create distinct living and dining zones without the room ever feeling cramped. The study is accessed from the lounge/diner towards the rear of the property, making it particularly versatile as a hobby room, home office, third bedroom or guest space. The separate kitchen sits towards the rear.

Bedrooms one and two are positioned at the front of the property, with bedroom one benefiting from built-in wardrobes. A practical shower room/wet room completes the main accommodation.

The outside space is every bit as practical as the interior. A long private driveway provides parking for several vehicles, with plenty of room for visitors before reaching the detached garage with its double doors. The garden has been kept deliberately easy to manage, with generous paved areas creating a private outdoor setting without demanding endless upkeep. A paved seating area to the rear gives you the perfect spot for a morning coffee, summer lunch or simply enjoying the garden.
