**DELMAR, 11 STAVEDOWN ROAD
SOUTH WONSTON,
SO21 3HA**

Set along a quiet road in the highly sought-after village of South Wonston, this exceptional detached contemporary home has been beautifully extended and refurbished to create a stylish and spacious four/five bedroom family residence. The property enjoys breathtaking far-reaching views across open fields and downland towards the north and west.

Originally a modest detached bungalow, the current owners have completely transformed the property into a light-filled, modern home designed for family living.

The front entrance sits beneath a striking American-style porch and opens into a bright and welcoming hallway with polished wooden flooring and attractive views straight through the house to the countryside beyond.

At the heart of the home is the impressive open-plan kitchen, living and dining space. A dramatic wall of panoramic windows frames the stunning countryside views while flooding the room with natural light.

The contemporary kitchen features stylish blue wall and base units, extensive quartz worktops and a large central island with an inset five-burner gas hob and breakfast bar seating for family and guests alike.

The room easily accommodates both a comfortable seating area and a large dining table, creating a superb space for entertaining and everyday family life.

A generously sized utility room provides further storage, a sink with worktop, and space for additional appliances including a freezer, washing machine and tumble dryer.

Large windows bring in plenty of light and a door offers direct access to the garden.

RECEPTION ROOMS (and shower room): The ground floor offers excellent versatility. In addition to the living/kitchen/dining room, a cosy snug with a wood-burning stove provides the perfect retreat, whilst a generous living room – which could also serve as a fifth bedroom – sits beside a spacious shower room benefitting from a large walk-in shower with fixed glass screen, a basin inset into vanity storage and wc. There is also a well-proportioned study, ideal for those working from home, which comfortably fits two desks.

Bedroom 4/Dressing Room

AND SO TO BED: There are four spacious double bedrooms running off a striking galleried landing, and a modern family bathroom with contemporary tiling and a Velux window.

The **Principal Bedroom** spans the full width of the property and enjoys spectacular views across the garden and countryside through a striking wall of windows. Built-in wardrobes and a dedicated exercise area lead through to an elegant en-suite shower room finished with marble-effect tiling.

Originally designed as two separate bedrooms, the principal suite could easily be reinstated as such, thanks to an existing separate doorway to the landing.
