WHAT'S GREAT?

The Definition of Space – Ideal for Multi-Generational Living

This impressive home is the definition of space, offering substantial square footage and a highly versatile layout that can adapt to your lifestyle and needs.

Perfectly suited for multi-generational living, the property provides flexible accommodation options, including two expansive lounge/family reception rooms, or alternatively the option to retain one reception and create a superb fifth double bedroom.

Set across three floors, this spacious home boasts all double bedrooms, two en-suites, and a double garage.

Upon entering, the ground floor features a large double bedroom complete with en-suite and walk-in wardrobe. There is also a generous reception room currently used as additional living

space, but equally suited as a large fifth bedroom, alongside a utility room and cloakroom.

The first floor forms the heart of the home, offering beautifully flowing living accommodation with a spacious lounge, study area, dining area and kitchen. This entire floor creates a wonderfully open and airy space.

On the second floor, you'll find three further double bedrooms and the family bathroom. The master bedroom benefits from its own en-suite and walk-in wardrobe.

As you can see, there is an exceptional amount of versatile space on offer throughout.

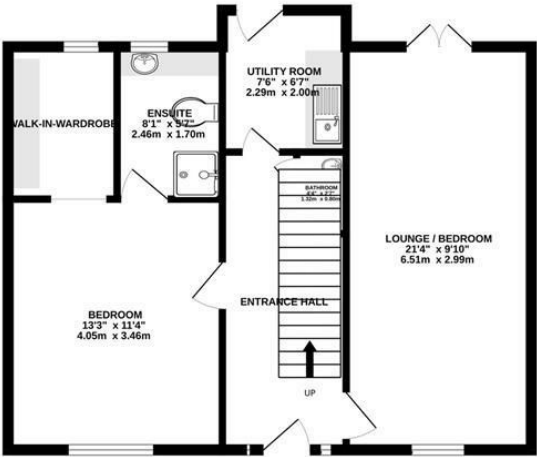

Externally, the rear garden is a generous size and includes a lawn, plenty of seating space with a large patio, and a summerhouse, all bordered by mature shrubs for added privacy.

Finally there is a double garage and off road parking completing this superb family home.
