Property Description

The property is entered via a private porch, providing a practical buffer from the outside and space for coats and shoes. Beyond this, a central hallway runs through the home and creates a natural separation between the living and sleeping accommodation. To one side of the hallway is the contemporary bathroom, fitted with a clean, modern white suite and complemented by neutral finishes. Adjacent to this is a useful storage cupboard, ideal for household essentials, cleaning equipment or additional storage needs. The double bedroom is well positioned for privacy and offers plenty of room for bedroom furniture.

At the rear of the property lies the open-plan kitchen, dining and living area, which forms the heart of the home. The kitchen is neatly arranged with modern units and integrated cooking facilities, flowing seamlessly into the living space. This open layout creates a bright and sociable environment, well suited to both relaxing and entertaining.

Large doors from the living area open directly onto a private terrace, extending the living space outdoors and providing an ideal spot for outdoor seating, dining or potted plants. The terrace also allows natural light to flood the main living area. Finished in a modern style throughout, the flat offers a low-maintenance, move-in-ready home. The combination of a practical layout, private outdoor space and allocated parking makes this property.
