Location:

Orleton is a highly sought-after village sitting just into North Herefordshire with an excellent range of facilities including a shop with post office, two public houses, doctor's surgery, primary school with pre-school, church, village hall, active community and a large recreation ground. Historic Ludlow is a short drive away and offers a further range of facilities, but equally Tenbury Wells and Leominster are easily accessible.

The front door opens into a spacious entrance hallway with engineered oak flooring and a staircase with oak balustrade rising to the first floor. Ground floor accommodation includes a living room with a window to the frontage and a feature fireplace with multi-fuel stove, and a large kitchen/dining room with a window overlooking the rear garden. The kitchen is fitted with a range of matching units with granite worksurfaces, a range cooker with gas hob and a dishwasher, all of which are included in the sale. A walk-in pantry cupboard leads off, and the adjoining dining area has ample space for a table and chairs. Doors then open into a large garden room with views over the garden, used by the vendors as a dining space all year round. A utility room with space for two appliances leads to a separate cloakroom with WC and wash hand basin in white, and to the study/occasional fifth bedroom which has a window to the side. The first floor landing gives access to four double bedrooms. There is an ensuite shower room with a suite in white and a modern house bathroom with a suite in white and a multi-head shower over the bath.

Outside:

The property is approached via a newly resurfaced driveway that provides parking for three cars and access to a store. Large and extensive gardens sit to the front, rear and side and extend to 0.23 acres. At the rear of the house there are gravel and paved seating areas, a level lawned garden, well-established borders, an ornamental pond and a garden shed. To the side of the property is the larger, south-facing garden, separately acquired by the vendors to extend the plot, which in the main is laid to lawn, with gravel pathways, a seating area, a selection of mature trees and a barked section housing a treehouse and swings, a smaller second shed and log stores.

Services:

The property has mains electricity, water and drainage. The property benefits from high-efficiency electric radiators and infrared heating panels throughout, with smart, wi-fi enabled controls offering individual room, multi-zone, or whole-house operation.
