Set in a peaceful and private location in the highly desirable woodland village of West Hill, this beautifully presented three-bedroom detached home offers light-filled, spacious living in a peaceful cul de sac. It offers bright and spacious accommodation throughout, ideal for modern family living or a peaceful retirement. Positioned on a generous, secluded plot, the home is surrounded by wonderfully mature gardens, creating a truly tranquil retreat just moments from local amenities.

Inside, the accommodation flows effortlessly, with generous living spaces and an abundance of natural light. A welcoming hallway, with a downstairs wc, leads to a large living room with a conservatory leading from it, both of which are perfect for relaxing or for family gatherings in all seasons. The conservatory also enjoys wonderful views over the rear gardens.

The kitchen is well-appointed and offers plenty of storage and workspace, with scope for personalisation. This is separate from the dining room which can be accessed from either the kitchen or the hallway. Upstairs, there are three good-sized bedrooms and a well-maintained family shower room with separate wc. There is also an additional loft room running from the front to back of the property which could be converted into useful office space or a fourth bedroom.

Outside, the mature, wraparound gardens are a true highlight; private, beautifully maintained, and ideal for relaxing, gardening, outdoor dining, or children's play. To the front, there's a driveway providing off-road parking and access to the single garage, offering secure storage or workshop potential. The property features oil-fired central heating throughout and is fully double-glazed, ensuring comfort and energy efficiency all year round. There is a gas supply in the road outside the property.

This is a rare opportunity to acquire a well-proportioned home in a wonderfully private setting, perfect for families, downsizers, or anyone looking for peaceful countryside living without compromise.
