Upton St. Leonards, Gloucester, GL4 8AT

Offers In Excess Of £900,000

Welcome to Windrush, an imposing five double bedroom Edwardian family house that has been through two years of development resulting in a complete and thorough restoration, including the addition of a large two-story extension.

Set within the heart of the historic village of Upton St Leonards, the property's Edwardian frontage is fully in keeping with the surroundings, beyond the front door however, you are greeted with a brand-new home that continues to impress, room after room.

The key outstanding features are the main bedroom with floor to ceiling windows overlooking the rear garden, a room the owners will never tire of waking up to, and the open plan kitchen, dining room and living areas with dual bi-fold doors facing the rear garden, creating a wonderful casual living space, making this house the most perfect entertaining property we have ever seen.

Windrush sits deeply within its own 0.25 acre plot, mainly laid to formal lawn which enjoys a good degree of privacy for such a large garden.

Upton St Leonards sits approx. three kilometres Southeast of central Gloucester and has a lovely 'village' aspect with leafy streets and desirable facilities including the famous 11th century Church of St Leonards, the highly performing local primary school with exceptional outdoor facilities, a local tennis club, shops and much more. A wonderful and well supported community which has thrived for over a thousand years and is ready to welcome you and your family to start your new chapter.

This property comes highly recommended by Hunters.
