

Commercial Property Description: Commercial Property located on Blackwell Road in Currock, Carlisle, this retail property offers a practical space for businesses looking to establish themselves in a well-connected area. The property features two reception areas, providing ample room for various retail or office configurations. The interior is unfurnished, allowing tenants to customise the space to suit their specific needs. Key features of the property include on-road parking, which facilitates easy access for both customers and staff. The location on a bus route enhances its accessibility, making it convenient for those relying on public transport. This property is available for long-term let. The layout of the property is straightforward, with a spacious front area that benefits from a large window, showcasing the business from passing trade.
