A most attractive and considerably extended detached house providing exceptional family living space, appointed and presented to an exceptionally high standard, combining traditional and contemporary features.

John German 

The enclosed porch opens to a reception hall, which provides a most welcoming introduction to this wonderful property. Stairs rise to the first floor and doors lead to the ground floor accommodation including the guest cloakroom fitted with a WC and wash basin with an integrated cupboard beneath.

To the right is the elegant drawing room which has painted panelled walls and a traditional fireplace.

Off to the hall to the left is a large dining room with a porcelain tiled floor, bespoke drinks cabinet with quartz worktop and a recessed stainless steel sink. The dining room is dual aspect and has French-style doors opening to the rear terrace and garden.

Off here is an excellent family room with built-in children's playhouse, a fitted desk and an extensive range of built-in cupboards.

This gives access to a separate study which in turn has an internal door to the garage and a door to stairs leading to the music room above the garage.

The stunning dining kitchen has a part vaulted ceiling and an extensive range of bespoke white and charcoal coloured units with quartz work surfaces, plus a good size island unit with quartz worktop and recessed twin sinks. Integrated appliances comprise induction hob, two ovens with warming drawers, full height fridge, full height freezer, two dishwashers and a combination microwave. There is a large walk-in pantry and a door to the utility which has further cupboards, a stainless steel sink, and space and provision for domestic appliances.

An inner lobby leads to an attractive double bedroom, which has a beautifully appointed wet room style en suite to include a walk-in shower with both conventional and waterfall heads, wall hung WC and wash basin with integrated unit.

The spacious first floor landing leads to four bedrooms and the family bathroom. The principal bedroom is en suite and is exquisitely appointed, having a shower with both waterfall and conventional heads, wall hung WC, wash basin with integrated drawers and full height towel radiator. The second bedroom is also en suite.

The luxurious family bathroom features a traditional suite comprising roll-top freestanding bath, pedestal wash basin, WC, bidet, and a separate shower.

Outside, the house stands well back from the road, beyond a particularly spacious wrought iron gated drive capable of parking numerous vehicles and giving access to the double garage.

The established rear garden is mainly laid to lawn, with mature hedges providing a high degree of privacy and a slightly raised sun terrace which has an outdoor kitchen area.

The property is situated in Hyde Lea, a sought-after area of Stafford convenient for the county town centre, which has an intercity railway station where there are regular services operating to London Euston, some of which take only approximately 1 hour 20 minutes.

Junction 13 of the M6 provides direct access into the national motorway network and M6 toll. Stafford Grammar School is within walking distance.
