The accommodation comprises an entrance hall with under-stairs storage, a downstairs cloakroom, study, and a bright living room with a bay window leading into the conservatory. At the heart of the home is an impressive kitchen/dining room flooded with natural light, complemented by a separate utility room and internal access to the double garage, which benefits from fitted storage units. The conservatory also has planning permission in place for an extension, offering excellent scope for further enhancement.

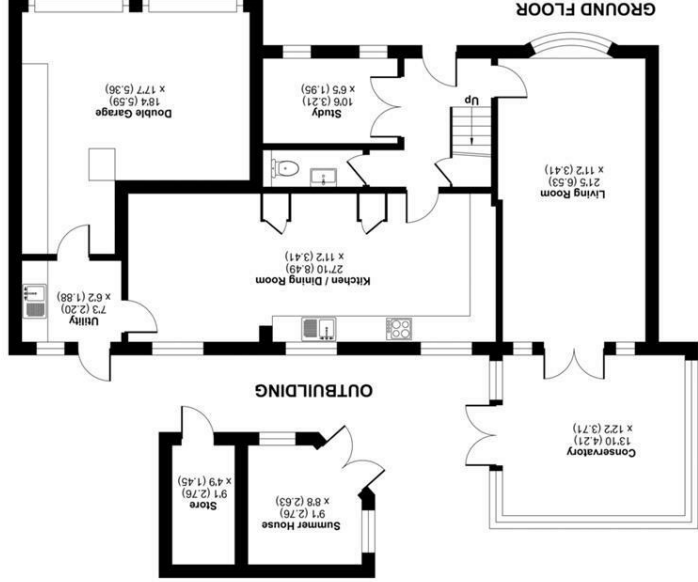

Upstairs, the stunning principal suite is a standout feature, boasting vaulted ceilings, a contemporary four-piece en-suite bathroom and a dressing room. A second double bedroom also enjoys en-suite facilities, while three further bedrooms, two with fitted storage, are served by a family bathroom.

Externally, a generous driveway provides parking for multiple vehicles and leads to the double garage. Gated side access leads to the beautifully maintained rear garden, which features a large patio ideal for entertaining, a lawn area with mature borders, and a summer house with power.
