Arranged over three floors, the accommodation is both versatile and well planned. The ground floor features a bright and welcoming lounge with a wood-burning stove, an open-plan kitchen/diner that seamlessly connects to the rear garden, and a convenient cloakroom. The lower ground floor offers a double bedroom, shower room, laundry room, and an integral garage. To the first floor are three generous double bedrooms, each enjoying varying views over the surrounding countryside and towards the bay. The principal bedroom benefits from an en-suite shower room, complemented by a separate family bathroom. Externally, the rear garden is arranged over three levels and incorporates patio and lawned areas. To the front, there is off-road parking for up to four vehicles.
