

## Albion Road, TW2

£940,000

Set on a peaceful residential road moments from Twickenham Green, this architect-designed period home has been comprehensively rebuilt and refurbished to an exceptional standard, offering over 1,300 sq ft of beautifully curated living space.

Defined by its exceptional natural light, skylights and a striking glazed rear extension create a seamless connection to the South-facing landscaped garden. The ground floor features a generous reception room with fireplace, bespoke storage, utility room and a stunning open-plan kitchen/dining space designed for modern family living.

Upstairs are three well-proportioned double bedrooms/loft room and two bathrooms, with custom built-in storage throughout. Scandinavian style wood flooring, underfloor heating and thoughtful architectural detailing enhance both comfort and style.

Albion Road enjoys a quiet yet highly convenient setting just moments from Twickenham Green and the High Street. A number of sought-after schools, including Archdeacon and Trafalgar, are nearby, while Twickenham station is within easy reach.
