Taylor & Co are delighted to offer to the market this generously proportioned, traditionally constructed three bedroomed detached bungalow enjoying superb views from the rear of the property over the surrounding hillside towards Sugar Loaf Mountain to the east. This bungalow is situated along a small and quiet country lane within the Bannau Brycheiniog National Park and has been designed with a spacious open plan configuration with accommodation to include a covered open porch, reception hallway, a sitting room and dining room that both take full advantage of the wonderful view, a contemporary fitted kitchen / breakfast room and separate utility room, plus three bedrooms and a large modern shower room.

The property does require some updating and improvement but includes double glazing to windows and doors, oil central heating to radiators and generous off road parking facility plus a large single garage. The garden which in all totals about 0.32 acre, is a haven for gardeners and includes an extensive variety of mature flowers, shrubs and specimen trees.

SITUATION | The bungalow is in a no-through road within the small village of Bwlch amidst a backdrop of some of the most beautiful scenery the Bannau Brycheiniog National Park has to offer and is surrounded by the dramatic landscapes of Buckland Hill, Mynydd Llangorse, Mynydd Llangattock and Mynydd Llangynidr. The bungalow is within two miles of the larger village of Llangynidr, just across the Usk river which meanders through the valley to the south east and is home to a good range of rural facilities including a community primary school, active village hall, pub and restaurant, convenience store and petrol station.

Despite its rural location, the property is situated just off the main A40 link road and is within easy reach of the surrounding towns of Abergavenny (10 miles), Brecon (9 miles) and Crickhowell (6 miles) where a more diverse range of schooling, leisure and shopping facilities are available. Abergavenny also benefits from a railway station and has regular services into central London via Newport, with good road links giving access to the motorway for Bristol, Bristol Airport, Bath,
