large double glazed window. There are two further double bedrooms, each benefiting from a double glazed window and central heating radiator.

The accommodation is completed by a modern house bathroom, fitted with a panelled bath incorporating a shower over, pedestal wash hand basin and low flush WC. Additional features include a heated towel rail, tiled splashbacks and a frosted double glazed window.

Externally, the bungalow occupies an impressive corner position on the ever-popular Thatch Close, a well-regarded residential location situated within approximately a 15-minute walk of Selby town centre and its wide range of amenities.

The front garden wraps around both the front and side elevations, creating an attractive setting for the property. A tarmac driveway provides off-street parking for two vehicles and leads to the attached garage.

The enclosed rear garden has been designed with ease of maintenance in mind, being predominantly laid with artificial lawn and enclosed by timber fencing. A paved patio sits immediately outside the French doors from the lounge, whilst a pathway extends around the side of the property, providing useful storage space and access to the area currently used for refuse bins.

The attached garage is accessed via a manual up-and-over door and benefits from power and lighting, whilst also housing the central heating boiler. There is a loft hatch with a pull down ladder with further scope and potential for conversion subject to planning permission and approval.

The property presents an excellent opportunity for purchasers seeking a spacious bungalow in a desirable location. Whilst it has been well maintained, it would benefit from a programme of cosmetic modernisation, allowing buyers to update the property to their own taste and requirements.

Offered for sale with no onward chain, early viewing is strongly recommended and is strictly by appointment only.
