DESCRIPTION

Bowling Green Lane, Broughton

Tucked away behind The Red Lion in the heart of Broughton, this beautifully presented three-bedroom semi-detached home forms part of an exclusive development of just four properties, constructed in 2022. Offering stylish, contemporary accommodation, a landscaped low-maintenance garden and a cleverly adapted garage incorporating a dedicated home office, this is a superb modern home in a wonderfully convenient village setting.

Step inside through the welcoming entrance hallway, where attractive wall panelling creates an immediate sense of character. There is a useful understairs storage cupboard, a modern ground-floor WC and stairs rising to the first floor.

To the front of the property is the impressive open-plan kitchen diner, providing a sociable space for everyday family life and entertaining. The kitchen is fitted with a stylish range of dark wall and base units, complemented by contrasting work surfaces and modern handles. Integrated appliances include an oven, hob with extractor over and fridge freezer, with space and plumbing for a washing machine. The adjoining dining area offers plenty of room for a family dining table.

Extending across the rear of the property is the spacious and beautifully presented lounge. A contemporary slatted feature wall provides an attractive focal point, while a wide set of bi-fold doors floods the room with natural light and opens directly onto the garden, creating a seamless connection between the indoor and outdoor living spaces.

To the first floor, the generous principal bedroom is an

excellent-size double and benefits from its own modern en-suite shower room, fitted with a walk-in shower enclosure, vanity wash hand basin, WC and heated towel rail. There are two further well-proportioned bedrooms, ideal for children, guests or additional working space.

Completing the accommodation is the stylish family bathroom, finished with contemporary tiling and fitted with a panelled bath with shower over and glass screen, pedestal wash hand basin, WC and illuminated mirror.

Outside, the property enjoys off-road parking for two cars and access to the single garage. The garage has been thoughtfully divided to retain a useful storage area at the front, while the rear has been converted into a dedicated home office—perfect for anyone working remotely or requiring a quiet space away from the main house.

The enclosed rear garden has been attractively landscaped with ease of maintenance in mind. It features artificial lawn, planted borders, decorative gravel and paved seating areas, creating a lovely space for relaxing and entertaining. A substantial gazebo provides a sheltered area with space for a hot tub, making the garden ideal for enjoyment throughout the seasons.

Broughton is a popular and well-served village offering a good range of everyday amenities, including shops, public houses, schooling and excellent access to nearby Brigg and Scunthorpe.
