

# 35 Horbling Lane

An exceptionally spacious and versatile three to four-bedroom detached bungalow, substantially extended in recent years to create flexible accommodation with up to four double bedrooms and one or two reception rooms, depending on individual requirements. As you can see on the floorplan, the property could easily be arranged in two distinct sections, providing comfortable and practical living space for extended family occupation, a couple with space for visiting family, or families interested in the two schools in the village.

Further benefits include a well-appointed dining kitchen, generous family bathroom, separate shower room, and the added reassurance of new windows that were fitted within the last year and remain under warranty. Externally, the property enjoys extensive off-road parking, with a driveway extending from the front and along the side of the bungalow to a detached one-and-a-half-size garage.

The generous rear garden backs onto a neighbour's open paddock land, enjoying attractive rural views that are not overlooked. We are informed that this adjoining land is currently available for sale as 'pasture land' and may be of particular interest to a prospective purchaser seeking additional outdoor space.

Situated within the well-served village of Stickney, amenities include primary and secondary schooling, a GP surgery, café and village store. The village is conveniently located between the historic market town of Boston and the beautiful Lincolnshire Wolds, much of which is designated as an Area of Outstanding Natural Beauty.
