Well suited to a range of buyers, the layout provides versatility for growing families, multi-generational living or those simply looking for generous room sizes in a convenient setting close to everyday amenities.

The property is entered via a side facing entrance hall, where a spindled staircase rises to the first floor landing and access is provided to the cellar, offering useful additional storage. The ground floor living space is well balanced, beginning with a bay windowed lounge positioned to the front elevation. The bay allows for plenty of natural light, while a feature fire surround creates a focal point within the room, making it an ideal setting for relaxing or entertaining.

A second reception room sits beyond, currently used as a dining room and additional sitting area. This adaptable space could serve equally well as a formal dining room, family room or home office depending on requirements.

The kitchen is of generous proportions and fitted with a range of dark oak wall and base units, offering ample storage and workspace. There is space for appliances.

One of the standout features of the ground floor is the additional bedroom, providing valuable flexibility. Ideal for guests, older relatives or those seeking single level accommodation, this room is complemented by a wet room, creating a self-contained feel that would particularly suit multi-generational arrangements or those working from home and needing private space. The main bedroom is a comfortable double and benefits from fitted wardrobes, ensuring plenty of storage. Bedroom two is also a double and enjoys the advantage of its own en suite shower room, adding convenience for busy households. A further bedroom completes the upstairs accommodation and could serve as a child's room, nursery or study.

The family bathroom is fitted with a white four piece suite, offering both a bath and separate shower, alongside wash basin and WC, catering well to family life.

Externally, the property enjoys a front garden with driveway providing off road parking and access to the

garage. The garage offers additional storage or secure parking. To the rear is a lawned garden, creating an outdoor space suitable for seating, children's play or gardening. Two useful storage areas are also located to the rear, ideal for tools, bikes or general household items.

Broom remains one of Rotherham's most established and convenient residential areas. Rotherham Hospital is within easy reach, making the location particularly appealing for healthcare professionals. The property is also well placed for access to Rotherham town centre, which offers a range of shops, cafés and services. Nearby supermarkets include Tesco Extra at Drummond Street, Morrisons in Parkgate, and Aldi and Sainsbury's within a short drive, catering for everyday needs.

For commuters, there are regular bus routes running through Broom and along Broom Road, connecting to Rotherham town centre and surrounding districts.

Rotherham Central train station provides rail links to Sheffield, Doncaster and Leeds, while the M1 motorway network is accessible via Junction 33,

offering straightforward travel further afield. Families will also appreciate the range of schooling options nearby, including Broom Valley Community School, Oakwood High School and Clifton Community School, all within reasonable distance.
