146 Brickhill Road, Wellingborough, NN8 3JP

A good sized 3 bedroom semi-detached house that was built in around 1965 and then extended in the 1980s to increase the size of the living room and hallway. The property now provides good sized accommodation with three double bedrooms and so would suit families. The house is also within a short walk of the local primary and secondary schools which adds to the family appeal.

Unusually the house has a very deep front garden as it is set back of the road and has a driveway that gives parking for three cars. There is space to create further parking if necessary. There is also a rectangular shaped rear garden accessed by French doors from either the lounge/dining room or utility room. The house has UPVC double-glazing and gas central heating with a new boiler installed in July 2026.

The accommodation in full comprises a good sized hallway, cloakroom/WC, lounge/dining room, kitchen/breakfast room, utility room, landing, three double bedrooms and shower room.

This is a well proportioned house in a really convenient location and viewing is recommended.
