Bank House High Street, Wingham

Bank House stands proudly in the heart of the village, full of character and thoughtfully enhanced by the current owners. The property has been stylishly updated in recent years, successfully blending period charm with modern living, while also offering the flexibility to create a self-contained annexe if required.

Internally - The front door opens into a welcoming reception hall. To the right is the front lounge, a comfortable and inviting reception room. Double doors lead through to a further reception space which could easily form part of a one-bedroom annexe or serve as a second sitting room. This area continues into a ground floor bedroom, which could alternatively be used as a home office or playroom, together with a utility room and cloakroom.

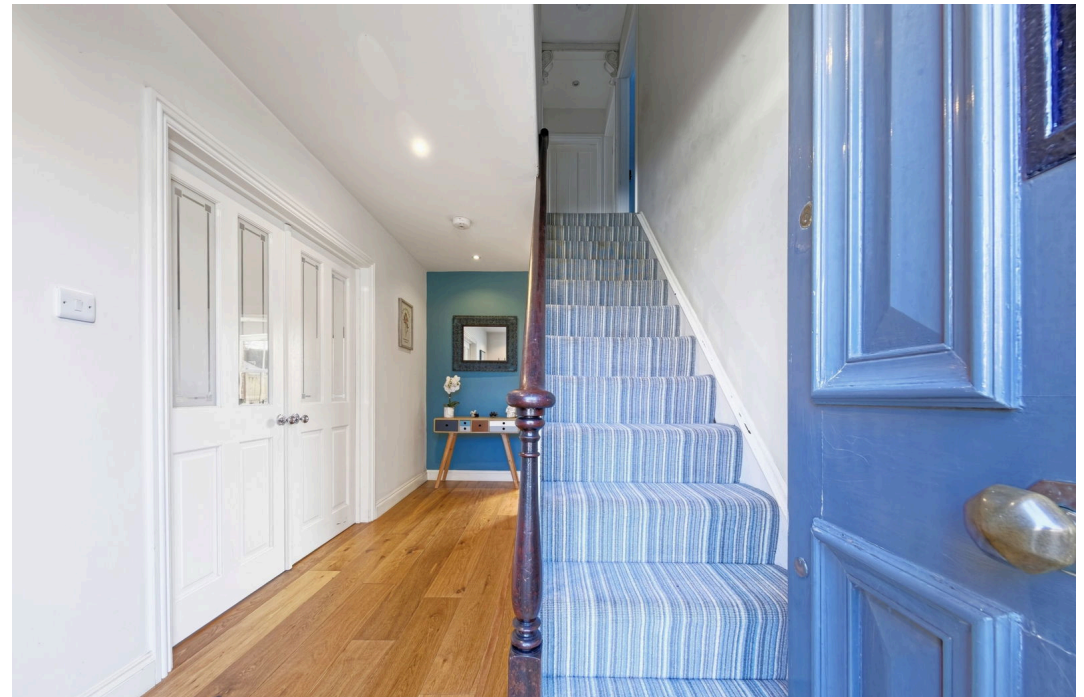

Returning to the main hallway, doors lead to a useful cellar and through to the impressive kitchen and living areas at the rear of the house.

The rear of the property forms the true heart of the home, with a beautifully designed open-plan kitchen, dining area and snug. The dining room is a recent addition and benefits from bi-fold doors opening to both the side and rear, creating a seamless connection with the garden. This generous space lends itself perfectly to both entertaining and everyday family life, while the snug provides a cosy retreat centred around a charming log-burning stove.

The staircase rises to the first floor where the principal bedroom enjoys a well-appointed en-suite shower room. There are three further bedrooms and a study, which could easily serve as an additional bedroom if required. A stylish family bathroom completes the accommodation.

Outside - the property enjoys a beautifully landscaped rear garden with a generous patio seating area and covered pergola, ideal for entertaining, barbecues and alfresco dining.

A recently constructed carport garage provides covered parking for up to two vehicles which has a substantial storage room, an ideal office, gym or studio.
