Bedrooms: 4

A particularly impressive brand new detached home, occupying a generous plot in the highly regarded village of Lymsham and enjoying sweeping, far-reaching views across the surrounding countryside to the front. Newly completed by a highly regarded local builder, the property offers approximately 1,856 sq ft of beautifully proportioned and exceptionally flexible accommodation, together with a larger than average frontage and generous south-facing rear garden.

The house has been thoughtfully designed to provide excellent living space throughout, with notably good room proportions and a layout that would suit a variety of requirements. The ground floor is particularly impressive, centred around a large L-shaped sitting/dining room which is dual aspect, enjoys an abundance of natural light and opens directly onto the rear garden. There is also a stylish fitted kitchen with integrated appliances, three double bedrooms and a family bathroom, with one of the bedrooms benefitting from its own en suite shower room.

The first floor provides a superb principal bedroom suite, incorporating a dressing area and smart en suite shower room, together with a separate cinema room. This versatile additional space could readily be adapted to provide a fourth bedroom, home office or further reception room, depending upon the needs of the new owner.

The property has been built to a high standard and benefits from a particularly good specification, including underfloor heating, air source heat pump, UPVC triple glazing, luxury vinyl flooring and three bathrooms. Being brand new, the house also offers excellent energy efficiency and the reassurance of a building warranty.

Outside, the property benefits from an unusually generous frontage which provides extensive parking for multiple vehicles and would be particularly well suited to those requiring space for a caravan, motorhome or boat. The front garden is principally laid to lawn and, importantly, enjoys the property's wonderful open aspect with sweeping views across the surrounding countryside.

To the rear is a good-sized L-shaped garden with a southerly orientation. There is a paved patio adjoining the house with areas of lawn beyond, whilst the garden enjoys a good degree of privacy and is enclosed by fencing.
