OUTSIDE

The property occupies a good sized yet manageable plot extending to circa 0.16 of an acre, set back from the road approached by an immaculate resin driveway which leads to a garage with a remote controlled electric up and over door and a WC. The front garden is low maintenance mainly laid to pebbles with plants and shrubs and a raised border to one side. There are hardstanding paths to each side of the property leading to the rear, one side has a retaining brick walled boundary with pebbles above. To the rear of the property, there is a hardstanding path leading to a rear door into the garage. Beyond here, the path leads to an open fronted storm porch with quarry tiled floor and a composite door leading into the kitchen. The sunny south facing garden enjoys a large central lawn and an extensive L-shaped paved patio off both the kitchen and lounge French doors, enclosed by a low retaining walled boundary which offers a lovely outdoor entertaining space.
