Darlaston

£200,000

A deceptively spacious three-bedroom mid-terraced home offering flexible accommodation across two floors, together with a generous and well-established rear garden.

The property provides an adaptable layout that would suit a variety of buyers and is well presented throughout while still offering scope for a new owner to personalise to their own taste.

The ground floor accommodation begins with a spacious lounge positioned to the front of the property, providing plenty of room for both seating and additional furniture. To the rear is the kitchen, fitted with a range of wall and base units and providing access through to a useful utility area. A particular feature of the property is the additional ground-floor bedroom, which could equally be utilised as a dining room, home office or second reception room depending on requirements. Completing the ground floor is a separate wet room, adding further versatility to the accommodation.

To the first floor are two further well-proportioned bedrooms, including a particularly generous principal bedroom, together with a family bathroom. The combination of bedrooms across both floors makes this an especially flexible home for families, those working from home or purchasers requiring additional ground-floor accommodation. The property also has a useful loft space that has been boarded giving ample storage space.

Outside, the property benefits from a front garden setting, while the rear garden is an impressive feature of the home. The garden offers a mixture of paved patio and seating areas, mature planted borders, established trees and shrubs, together with useful garden storage. Offering plenty of space for relaxing, entertaining and gardening, the outside space provides an attractive extension to the living accommodation.
