Acomb, York

£175,000

A one bedroom semi detached home set within a quiet cul de sac in the popular Acomb area, offered with off street parking and excellent potential, this property presents a great opportunity for buyers looking to put their own stamp on a home or for investors seeking a value add project.

The property is entered via a small front porch, providing a practical space for coats and shoes before leading into the main living area. The living room is a good sized and versatile space which has recently been decorated, with stairs rising to the first floor and useful storage beneath. A large front facing window allows for plenty of natural light, creating a bright and airy feel.

To the rear is the kitchen, fitted with a basic range of units and offering space for appliances, and a newly fitted breakfast bar. There is then a door leading out to the garden. The outdoor space is designed for low maintenance, laid with stone, and offers scope for landscaping to suit a buyer's needs.

To the first floor is a generous double bedroom with built in storage, along with a recently fitted modern bathroom with a shower, wash basin and WC. The landing also provides access to a storage cupboard housing the boiler and access to the loft space.

Externally, the property benefits from a parking bay positioned to the front, a valuable addition in this location.

Situated within a well established residential area, the property offers good access to local amenities, transport links and the A64, while remaining within easy reach of York city centre.

Offered with clear potential and realistically priced to reflect the work required, this is an excellent opportunity for those looking to create a home to their own specification.
