An extremely rare opportunity has arisen to acquire one of a pair of striking contemporary dwellings overlooking the beautiful harbour town of Brixham. Designed to maximise panoramic sea and town views, each home benefits from its own sunny garden area, seamlessly blending cutting-edge architecture with an enviable coastal setting.

Created by the highly respected MTA Architects, these homes showcase innovative design and the thoughtful use of premium materials. Environmentally sensitive features are integrated throughout, ensuring the property is as sustainable as it is stylish.

Positioned just above the main Fore Street, the site enjoys a sweeping outlook across old Brixham, the Inner Harbour, the Breakwater, and across the waters of Torbay. The elevated vantage point provides ever-changing coastal vistas, from fishing boats departing at dawn to golden sunsets over the bay.

Accessed via a small lane above Fore Street and just off Mount Pleasant Road, the plot is enclosed by attractive original stone walls that reflect the historic charm of the surrounding area. The architects have cleverly utilised the two principal levels of the site to create a home that feels both private and expansive.

Nestling comfortably among character cottages, the property offers a refined yet welcoming contemporary living environment. The contrast between old and new enhances its appeal, delivering modern comfort within a timeless coastal setting.

Moments away lie Brixham's bustling streets, filled with independent cafés, renowned seafood restaurants, traditional pubs, and boutique shops. Excellent transport links, including regular bus services and a large taxi rank, ensure convenience for both residents and visitors alike.

Within two miles, spectacular coastal walks await, including the dramatic cliffs of Berry Head Country Park, the scenic beauty of Sharkham Point, the peaceful shores of Elberry Cove, and the iconic Brixham Breakwater. These natural landmarks offer endless opportunities for exploration and relaxation.

The property would serve beautifully as a "lock it and leave it" holiday retreat, providing effortless coastal living with minimal maintenance. Equally, it presents a fabulous permanent residence for those wishing to immerse themselves in the vibrant marine atmosphere year-round.
