A rare opportunity to live within a gated private estate of only 38 properties, nestled within acres of landscaped historical gardens. This beautifully restored four bedroom, three bathroom, three storey, period conversion with large modern open plan living area, located in the grounds of Stapehill Abbey.

Stapehill Abbey nestles in its own grounds between Ferndown and Wimborne. Just far enough from the main road network to enjoy tranquillity and seclusion, yet within easy reach of local amenities, transport links and the world-renowned Jurassic Coastline and the New Forest National Park.

Set within a significant landscape setting, great care and attention has been given to the overall site design. The Cloisters has been created from the existing buildings, with many artefact and period features retained throughout. The bell tower stands sentinel over the twin chapels and associated buildings all of which have been painstakingly restored and imaginatively reconfigured to create a community of character homes.

The extensive communal grounds will offer a peaceful haven of established planting, historic landscaped gardens and a tranquil lake – to be enjoyed by the residents at their leisure.
