ABOUT THIS HOME

GUIDE PRICE £375,000 - £400,000

Set within the heart of the sought-after East Malling Conservation Area, this beautifully refurbished three-bedroom cottage combines period character with stylish contemporary finishes, all just moments from the village station.

The double-fronted exterior gives the house plenty of kerb appeal, with an entrance porch opening into a generous living room. An attractive fireplace with a log-burning stove provides a natural focal point and adds to the cottage's warm, characterful feel. To the rear, the recently updated kitchen offers a smart and contemporary space for everyday living. Upstairs are three well-proportioned bedrooms alongside a modern family bathroom. There is also a useful basement, discreetly accessed via a trap door beneath the new carpet, providing valuable additional storage.

Outside, the part-walled rear garden offers a pleasant and relatively private space, complemented by a double-glazed conservatory that provides additional flexible living space overlooking the garden. A particularly useful feature for such a central village location is the private driveway to the side, providing off-road parking for two cars.

East Malling railway station is just a short walk away, offering regular direct services to London Victoria in around an hour, making the property particularly well placed for commuters while retaining the charm of village life. Offered to the market with no onward chain, this is an appealing opportunity to acquire a characterful period home that has already undergone significant refurbishment, in one of the area's most convenient village settings.
